

TIN CAN BAY COUNTRY CLUB

JANUARY 2018 NEWSLETTER

FROM THE CHAIR

Welcome to the new year, and we wish you all a happy and healthy 2018. There were certainly a lot of Christmas parties held at the club this year, and we hope you all made it safely through to 2018.

Feedback on the quality of the hams won this year has been great, and I can certainly vouch for the quality of the ham I received - looking forward to some pea and ham soup from the bones too.

Also in December I became on OBE, and had a wonderful dinner in the Chinese Restaurant. Thank you to all those people who made it a most memorable evening for me, and of course the meals were delicious. Not many people become and OBE (Over Bleeding Eighty) and I feel honoured to have made it.

Members may have noticed a new face on the reception desk. Sherrill is training Megan to take over her duties in the long term. Please make Megan feel welcomed to our friendly club, and it is always great to be able to employ a local person.

Coming up we have Australia Day celebrations, so check with reception for full details of entertainment for that day. Hopefully the weather will be great and we can all take part in the fun.

Speaking of entertainment we are taking bookings for the Fleetwood Mac Tribute show on 3rd February. Tickets are selling fast at \$35 per head, show only, so don't be disappointed and miss out as some patrons did with the Elvis show last year. Book now for a table and get together a group of friends for another great night. Courtesy bus will be available for the night also.

Back to school is not that far away so why not bring the kids down to the air conditioned club to play in our kids room, and maybe have a meal whilst you are there.

Until next month.

Bob Callier
President
Tin Can Bay Country Club

GOLF REPORT

Hi, I hope everybody had a great Christmas and a very happy and safe New Year.

some things have progressed, Ninth tee should be back in play this month. The bunker on the twelfth should be fixed shortly just waiting for sand.

My apology to Mark Hehir as I inadvertently said that Paul Downman won the Monthly medal for the Men's comp when in fact Mark did, sorry about that.

For the Vet's don't forget Monday the 8th Visit to Pelican Waters and Wednesday 17th Noosa.

Remember there is a sheet in the starters box for the reporting of problems around the course that may have been there for a while, i:e leaking pipes.

Ladies are having a 18 hole summer comp starting on the 3rd so ladies come along and support your club.

Have a Great 2018 remember to get out there and enjoy as you don't know when it might end.

Be safe, enjoy and have some fun.

Barry Hudson

President

Tin Can Bay Country Club Golf Club

BOWLS REPORT

Happy New Year to all.

Another year has gone and we are straight back into it.

In December we had the annual Ham day and this was won by a team of Robert & Sue Ramsey, Kerry Dunn & Wendy Ryan. The others must of played real well, Kerry.

On Australia day the 26th we will have the annual Shirts V Skirts day. This will be an afternoon of great bowls and a sheet will be up for names in the near future.

We also had a change in committees for both men and women during December with the following people now doing the hard work of running the day to day bowls games.

In the men- Peter Fitzakerley is the President, Tony Broom-Secretary, Bill Frost-Treasurer and Doug Smith-Games Director.

In the women-Anne Hudson remains President and Games Director, Denise Dare is Secretary and Jill Callaway is Treasurer.

Good luck to all who give up their time to support the running of Bowls.

The shade cloth is getting closer with early February the latest I have been advised. We plan on having an opening of the shade cloth Bowls Day and will keep you informed.

Until next month

Tony Broom
Secretary
