

TIN CAN BAY COUNTRY CLUB

NOVEMBER 2017 NEWSLETTER

FROM THE CHAIR

Another month has flown by, and what a busy month it has been. The new Chinese restaurant staff have been run off their feet in the first few weeks, and why not, great food and hard to go past the specials. So far my favourite is the curried prawns, but I also enjoy the beef in black bean sauce. Also favour the Singapore noodles, with or without prawns. Did you know that they will also do takeaways? What could be easier after a long, or short, day! Everything is cooked fresh to order.

Elvis is alive and still can sing those great songs, although the hips don't quite swing the way they used to. Great to see Roy Orbison and Elvis Presley at the club - a very memorable night and a sell out crowd. I'm sure all those who were lucky enough to get tickets enjoyed the show, and hope they can return again in August next year, maybe with some of their friends. (Let's nag Leisa until she says they are booked again....lol)

The club has purchased two new Dragon gaming machines, which have also proved to be very popular. Why not check them out yourself?

When the weather has permitted the golf and bowls have both been well attended. The ground staff have done a great job, as usual, on maintaining both the golf course and the bowls greens. The grudge match in the men's bowls between Cooloola Coast bowls, and the Country Club was again in evidence at the recent Marina Shield Challenge. Well done to our team who again retained the shield.

Until next month
Cheers

Bob Callier
President
Tin Can Bay Country Club

GOLF REPORT

It has been a very trying month for getting a game of golf in, with the green renovations and the wet weather.

The greens are recovering and the course is drying out so hopefully we will only get a few storms and we can get back playing regularly.

We have several visiting clubs over the next few weeks in Maroochy River, Maryborough and Hervey Bay the latter two being mixed competitions.

It was great to see the ladies having there Pink Day this week this being a fund raiser for the McGrath Foundation the ladies raised \$1250.00

Happy golfing and see you all on the course next month.

BOWLS REPORT

Welcome to this months informative newsletter on what's happening in our world of bowls.

In October we had the Men's Carnival which was an outstanding success and thanks to all that helped throughout the event.

Even though we had wet weather the 22 teams all enjoyed the two days and we hope next year to be bigger and better. The big hit for the week-end was the lunch and thanks to the Country Club for getting the Chinese Restaurant in place.

Also in October was the Marina Shield played against Cooloola Bowls Club. Once again we came away with the shield so well done to all who played. The selectors must be getting it right.

On Sunday the 26th November we have the IGA shield against Cooloola at Tin Can Bay. This is a mixed game and a sheet will be on the board in the near future. We will have a barbeque lunch provided by IGA and as many players as possible required.

The men's triples are closed and draw will be done this week. Look out on the noticeboard for when the games are to be played.

This month we have nominations called for all committee positions for the men's club.

Nominations close on the 10th November so please see the noticeboard for nomination forms.

The combined Xmas party for both Men and Ladies is on Friday 8th December. A sheet is on the outside board to put your names in for catering purposes. It will also be presentation night for the championships.

See you on the green

Tony Broom
Secretary
Tin Can Bay Bowls Club
